## EXPERIENCE

### Prifina Inc | Product Designer (Contractor/Part-time)

May 2020 – Present, San Francisco, CA

Prifina is a data management company that aims to give users control over their data. Data analytics, data visualization, and aspects of data security are the elements that are provided with the usage of Prifina.

- Worked as the design representative for the designer-to-developer hand-off
- Created and delivered design components within the design system
- Created a full prototype of the early stages of the MVP

### Prifina Inc | Product Design Intern

January 2020 – May 2020, San Francisco, CA

- Established flows that mapped the interaction of the core platform
- Participated in the creation of user research materials for user interviews and surveys
- Presented design concepts and iterations in daily stand-up calls with the design team

### Restvo | UX/UI Design Intern

September 2019 – Present, Oakland, CA

Restvo is a company that establishes connections within a local community through its mentorship application. Through this application, users set goals, and gain insights to help reach their endeavors.

- Conducted usability tests of created userflows with users to ideate better experiences
- Worked in a cross-functional environment with engineers, PM, and co-founders

### BRIDGEGOOD | UX Design Apprentice

June 2019 – September 2019, Oakland, CA

BRIDGEGOOD is a Google.org-partnered nonprofit organization that provides opportunities to under-resourced designers and artists.

- Worked alongside companies such as Google, Salesforce, Adobe, and more
- Presented 3 live features to a group of stakeholders
- Performed the end-to-end process of 3 different features on the platform

## HONORS & REWARDS

### UX Design Certification

September 2019, Oakland, CA

Partnered with Google.org and the Golden State Warriors, for participating and completing BRIDGEGOOD's Apprenticeship. Successfully learning, understanding, and implementing design tools. Dedicating 217 hours towards bridging the tech inclusion and opportunity divide for hundreds of creatives and businesses.
