EXPERIENCE

Restvo | UX/UI Design Intern

September 2019 – Present, Oakland, CA

Restvo is a company that establishes connections within a local community through its mentorship application. Through this application, users set goals and gain insights to help them reach their endeavors.

- Established wireframes and userflows
- Created effective solutions based off of gathered quantitative and qualitative user research
- Cross functional working environment with engineers, managers, CEO and co-founder

BRIDGEGOOD | UX Design Apprentice

June 2019 – September 2019, Oakland, CA

BRIDGEGOOD is a nonprofit organization that provides opportunities to under-resourced designers and artists. Partnered with Google and funded by the Golden State Warriors, BRIDGEGOOD closes the gap between community and the tech industry through its platform.

- Dedicated 14 weeks, 217 hours to conducted user research, design sprints, and competitor audits to create functioning, live products
- Learned industry standard tools and methodologies from UX professionals
- Worked cross-functionally with the Product Lead, Engineers and 11 other UX Design Apprentices
- Worked alongside companies such as: Google, Salesforce, Adobe, Walmart Labs, US Bank, Kaiser Permanente, and Google.org
- Presented live features to a group of 50 stakeholders at Google.org Headquarters
